SCHRÉDER SOCELEC S.A.
AV Roanne 66 - P.I. El Henares
19180 Marchamalo (Guadalajara)

“Innovation is the process by which we unlock the potential to address society's big challenges. At Schröder we strive to innovate in a way that puts our expertise in the hands of our local customer, co-creating solutions that benefit society as a whole. As such we support open and fair business models. Throughout our history we have been reinventing the way to bring light to the places where people and minds meet.”

Nicolas Keutgen, Chief Innovation Officer
